LAUREL WINNERS PAY WELL

ROBERT BRADLEY FURNISHES A SURPRISE BY WINNING HANDICAP.

Was Not Regarded as Likely to Stay the Route and Paid Big Price-More of Cuban Racing Plans.

Laurel, Md., October 7.—Robert Bradley surprised the talent this afternoon when he won the principal race of the day. This horse has never shown much disposition to stay and the public did not consider he could beat H. P. Whitney's Night Stick and August Belmont's Flittergold at a mile and a sixteenth. But the Mizell horse took the lead at the start and was never headed. A furlong from the finish it looked as if Flittergold would get up, but at the critical moment Flittergold faltered and Robert Bradley lasted to win by a short head. He paid \$31.60 in the mutuels and was the longest priced winner of the day.

Good prices ruled throughout. Mr. Belmont had a bit of hard luck in the closing dash, won by R. F. Carman's Ella Bryson. Flittaway, the Belmont entry, was running well up in second place along the rail when she was jammed into the fence and Butwell had to pull her up sharply. This put Flitaway out of the running. She closed resolutely in the stretch and finished a good fourth.

"Hoot Mon" Billy Oliver, who has been trying hard to get a winning race out of Kewessa was off on his toes and remained in front all the way, winning in the fast time of 1:06%, which equaled the track record.

The closest finish attended the second race, Tie Pin. Marvelous and Devittry passing the judges heads apart. Tie Pin got the verdict.

Ella Bryson, winner of the sixth race, was advanced \$405 over her entered price of \$600 and was retained.

Ella Bryson, winner of the sixth race, was advanced \$405 over her entered price of \$600 and was retained.

H. D. Brown came back to Laurel this aftermoon in the interest of his coming winter meeting at Havana. He said that while the opening date had not yet been definitely fixed it probably would be between Jan, 1 and 10. The track is just about completed and work on the grand stand, which will be a steel structure, has commenced. All the steel for this stand is obtained in Havana and the greaterl portion of it is already on the ground. The stake list, which will shortly be announced, is a particularly liberal one, and a \$15,000 fixture is one feature of the season. About twenty-five stakes in all will be given.

Mrs. L. A. Livingston has decided to race her barses here and at Pindice, after which they will be retired to her Rancocas farm in New Jersey. Lovetie has been retired to the stud there and Pandorina and Sotemia, both winners of the Kentucky Endurance States are matrons of the establishment now. Sotemia has been mated to Armeath II and it is the intention to send Pandorina to Lovetie next spring. Amelia Jenks is another of the prized matrons of the establishment now. Sotemia has been mated to Armeath II and it is the intention to send Pandorina to Lovetie next spring. Amelia Jenks is another of the prized matrons of the establishment, which comprises a dozen mares in all.

James Corrigan, who is a partner with Price McKinney in the Wyckilife stud, was an arrival from Mexico City this afternoon, with Fred Fenchler of the Jockey Club Juarez. Price McKinney reached Baltimore this evening. All three will remain for several days.

William Martiu's Mediator broke down so badly in his last race that it is doubtful if he will race again this season.

Marjorie A. was scratched by H. G. Bedwell this afternoon for the reason that she developed a high fever last night.

WEIGHTS FOR THE ST. LEGER.

Louisville, Ky., October 7.—Weights for the St. Leger Handicap, two miles and a quarter, to be run at Caurchill Downs on Saturday, October 10, were announced today by Secretary Lyman H. Davis. Great Britain is given top weight, as a natural result of his victories in the Toronto Autumn Cup, the Louisville Cup and other long-distance races this fall. Star Gaze, an eastern entry, was awarded the next highest impost, while the three-year-olds Brickley and Robinetta are given the lightest weight. The weights in full follow:

PROCEEDS AGAINST MINORU PARK,

Victoria, B. C., October 7.—By direction of Attorney-General Bowser, an action has been instituted against the association responsible for the race meetings at Minoru Park, Vancouver, which, it is anticipated, will settle once and for all the question of legality of those lengthy meetings. The officers of the association have been indicted under the code for an infraction of the Miller act, which prohibits race meetings of more than one week's duration, twice a year. The case will come before the Assize Court at the sittings which open at Vancouver this week.

The meeting at Minoru Park has now lasted more than seventy days, while the week's limit set in the Miller bill is observed everywhere else throughout Canada. The attorney-general's action is the result of representations made to him by the Vancouver Board of Trade last spring.

SPEEDY SPRINTERS TO MEET TOMORROW.

Falls City Handicap, Opening Day Feature at Churchill Downs, Presents Open Aspect.

Churchill Downs, Presents Open Aspect.

Louisville, Ky., October 7.—A remarkable field of sprinters is expected to go to the post Friday in the Falls City Handicap at Churchill Downs. This event is the big feature race of the opening of the eight-day meeting of the New Louisville Jockey Curb. which will continue until Saturday. October 17, on which day the historic St. Leger will be run. Two of the probable starters, Leochares and Bringhurst, have both run the distance of this stake, three-quarters of a mile, in close to record time Leochares has been over the route in 1:10½. With the exception of Iron Mask, no American race horse has run this distance so fast. Bringhurst holds the track record of 1:11 at Churchill Downs for the distance. Both of these horses are at present in excellent racing form.

The top weight of the race, Buckhorn, has also run some fast six-furlong races, he having a record of 1:11½, with 119 pounds up. His stable companion, Heien Barbee, has run six furlongs in 1:11½, while Leo Skohy, also in this stable, recently was second to Pan Zareta in 1:11½, and upon that occasion he heat Leochares. Back Bay has the distinction of having defeated Pan Zareta on several occasions this season and has a record of 1:11½. This horse that is entered for the Falls City Handicap, but which probably will not start, is Hawthorn. His owner, C. F. Buschemeyer, is not in favor of attempting to race him again this fall in this climate on account of the thickness of his wind, the son of Hastings being undoubtedly affected in this respect. He is now thinking of sending the big gelding in charge of some competent trainer to the Juarez course in Mexico to race the coming winter, as that climate is greatly beneficial to horses afflicted as Hawthorn is. He will not fully make up his mind until after the Latonia autumn meeting is over, but he has the notion that Juarez is about the only place that Hawthorn will ever have a chance to race brilliantly again.

Pan Zareta, one of the star sprinters of the year, was not en

There will be twenty-three pari-mutuel machines in operation at Churchill Downs during the coming meeting. These will embrace three \$25 devices, one place, one straight and one show; three \$10 machines of the same denomination six \$5 devices, two straight, two place and two show; and eleven \$2 machines, four straight, three place and four show. This will entail the employment of twenty-three ticket sellers and the same number of cashiers.

show. This will entail the employment of twenty-three ticket sellers and the same number of cashiers.

R. L. Rogers sold yesterday to Gus Gannon of Brookfield, Mo., his three-year-old, Harwood. Gannon bought the son of Frontenec to race at minor meetings through Missouri. This leaves Rogers with only Trojan Belle in his stable and this mare he is getting ready to race during the coming meeting at the Downs and Latonia and then intends shipping her to Mexico for winter racing. She did well at Juarez last season and is at present looking better than she has since last fall.

J. S. Hawkins owner of Chalmers, has four likely yearlings this season in training. One is a cheest nut filly out of the dam of Chalmers, which is still owned by her breeders, Clay Bros., who did not let her go when she was knocked down in the recent sale at Lexington. Mr. Hawkins' other youngsters are a bay filly by Hastings, a bay colf by Frontenac, and a bay filly by Marta Santa. The latter is a sister to Martha Lee and is regarded by the Lexington trainer as one of the most promising yearling fillies he has ever handled.

Trainer J. D. Adkins says this will be Helen Barbee's last year on the turf. He is anxious to round out her racing record to at least forty wins. She has already won thirty-eight races and is in excellent form. When he mates her in the spring of 1915, it likely will be to her great stable companion, Buckhorn.

GOSSIP FROM BLUE GRASS REGION.

Lexington, Ky., October 7.—The executive committee of the Kentucky Association this morning awarded the contract for the rebuilding of two barns destroyed by fire during the summer.

DAY'S RACING AT BOWIE IS SPIRITED.

Most of the Winners at New Maryland Track Score Only After Hard Drives.

Baltimore, Md., October 7.—Stirring finishes marked the racing at Bowie this afternoon, a majority of the winners being returned after hard stretch drives. What was accorded the feature position on the program, a dash of one mile and a sixteenth, fell to J. U. Strode's Billie Baker, with Armor second and Henry Hutchison third. The winner followed' the pacemaker until the stretch turn was reached, then closing resolutely, drew away from Armor.

A "good thing" was cut loose in the opening dash, when Between Us lasted long enough to beat the fast closing Ischgabibble.

The attendance, which has shown a marked increase day by day, was not materially affected by threatening skies.

When F. J. Pons' Grazelle won the second race she was bid up from \$400 to \$700 by C. N. Freeman, but was retained by the stable.

The suspension against jockey Ward expired yesterday, and he resumed riding today.

Among the numerous arrivals today were F. E. Brown, George Reardon and V. Lemay, W. Leroux and Lee Campbell, from Toronto.

A shipment of four carloads of horses will be made to Latonia at the close of the present meeting. E. J. O'Connell is among those who will ship.
